

School assessment Data 2019

NB. There is no statutory assessment data for schools for 2020 due to Covid-19

Schools Statutory Assessment Data can be found and compared by following the link below:

'School Assessment Data' School and College Performance Tables: <https://www.gov.uk/school-performance-tables>

At Brenchley and Matfield Primary School pupils are formally assessed at the end of Reception Year, at the end of Year 1 (phonics), at the end of Year 2 (KS1 SATs) and again at the end of Year 6 (KS2 SATs) for the Government's Statutory Assessment Tests (SATs).

Our school continuously tracks all children's attainment and progress against age related expectations throughout the year and creates lessons to support and develop individual children's learning needs. In Years 3, 4 & 5 – where formal SATS do not take place - pupils are assessed throughout the year and at the end of each year using non statutory assessments to check on their progress. There is no expectation or requirement for these results to be reported at County or at National level.

Teachers and Senior Leaders use a mixture of formative and summative methods (formative – on-going assessment for learning that takes place each session, summative – formal tests that evaluate, for example, end of unit expectations) to ensure that all children are on track to either meet or exceed their individual targets. These methods may include marking for improvement, self-reflection exercises, peer evaluations, targeted teacher/teaching team evaluation and analysis, etc.

All results are reported to parents throughout the year at our Parent Consultations, with end of year teacher assessments also recorded on individual pupil reports.

School assessment data for the Academic Year 2018- 2019

The tables below show our Statutory Results for 2019

Foundation stage profile 2019

	Brenchley and Matfield	National Average
% Good level of development	78.5%	71.8%

% of pupils passing the Year 1 Phonics Screening

	Brenchley and Matfield	National Average
Year 1	70%	82%
Year 2 Retakes	75%	91%
